

INFORMAL REUNION REGISTRANTS LIST

After the Rally on the Rio Reunion, a number of retirees requested that we try to periodically post the names of Retirees who register for the 2018 Reunion. Their desire was to know who would be attending and once at the reunion, ensure that there is enough opportunity to meet up with friends and colleagues.

This List format is a reflection of the dates each check was received and how senders identified themselves. Periodically, this list will be updated, (but not in real time). It is merely to provide you a general sense of who is registered for the Reunion at the Cradle Reunion. If you have specific Registration questions, please contact Sid Haggard or John Lamb. Any mistakes on name spelling; associated friend, partner or spousal listing are the writers. (some guessing was involved)
